Dear Lifetime Licensee,

This is a courtesy reminder notice from the California Department of Fish and Game (DFG). Every year, sport fishing items will be available for sale by November 15 and adult anglers can claim their annual fishing license at no cost. Please note that you will NOT receive any further reminder notices; just claim your license every year.

Because of federal survey requirements, and the need for accurate information from all licensees on an annual basis, lifetime licensees are required to verify that their information is current each year before their licenses are renewed. Your license can be claimed at any DFG license sales office, license agent, online or by telephone. At the time you claim your license, you will also be able to purchase additional license items that are not included with your lifetime license package.

As a Lifetime Sport Fishing License holder you are entitled to a sport fishing license each year for life. You will not need to claim your sport fishing license until the year you turn 16 years of age. However, you are required to possess any needed report cards.

Thank you for your continued support of California's Lifetime License Program. Your license fees provide a dedicated and valuable source of funds that help the DFG fulfill its mission to protect and conserve California's fish and wildlife. If you have any questions about your license, please contact Ms. Katie Winn by telephone at (916) 928-5853 or email [kwinn@dfg.ca.gov](mailto:kwinn@dfg.ca.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "J. Fong".
